## PRESS RELEASE

### **CHAPMAN CONCIERGE IS TOP CHOICE FOR** **VAIL MANSION CONDOMINIUMS**

*The Vail Mansion Association Hires Morristown-based Chapman Concierge to Provide Luxury and Convenience to their Residents.*

Morristown, NJ January 29, 2008: The Vail Mansion, built more than a century ago by American Telephone & Telegraph President Theodore Vail, has been transformed into one, two and three bedroom residences with concierge services, a private health club and a fully functioning business center. The Residences at Vail Mansion, located in the heart of downtown Morristown, is an exquisite community of luxury condominiums.

Chapman Concierge, a Lifestyle Management Firm, is pleased to announce its most recent appointment as Concierge Services Provider to the residents of The Residences at Vail Mansion. “Chapman Concierge executes every task with first-class customer service and impeccable attention to detail stated Colette Chapman”. Chapman Concierge staff will be located in the Vail Mansion lobby daily to welcome and announce guests, log in receipt of residents’ packages, and monitor all common key areas. Chapman Concierge staff will also be available to connect residents with a vast array of personal and social services, such as making theatre and transportation arrangements; vehicle maintenance; travel and vacation planning; party and event planning, catering and execution; grocery shopping, dry cleaning pick up and drop off, gift giving services, pet care, home organizing, and vendor wait service.

“Creating a distinctive living experience through concierge services is not unique, but customizing a solution to the needs and demands of individual tenants is unique,” says Chapman Concierge President, Colette Chapman. “Our customized services take care of the little things that busy people would prefer to have managed for them. Additionally, our complete line of Lifestyle Management Services is designed to enhance the community living experience.”
